Foreword from the Chairman of Technical Working Group on Nutrition Research	xi
Table of content	xii-xiv
List of Figures	xv
List of Tables	xvi
Abbreviation	xvii
Nutrition Research Priorities in Malaysia for 10th Malaysia Plan (2011-2015)	
1.1 Introduction of Nutrition Research Priorities in Malaysia for 10 th Malaysia Plan (2011-2015)	1-5
Research Priority Area 1: Infant Feeding and Complementary Feeding Practices	
2.1 Introduction	9-11
2.2 Conceptual Framework on the Purpose and Scope of the Research Priority Area	12
2.3 Table of Nutrition Research Priority Area	13-23
References	24-25
Research Priority Area 2: Monitoring of National Nutritional Status	
3.1 Introduction	29-30
3.2 Conceptual Framework on the Purpose and Scope of the Research Priority Area	31
3.3 Table of Nutrition Research Priority Area	32-35
References	36

TABLE OF CONTENT

Research Priority Area 3: Food Intake and Healthy Dietary Practices Across the Lifespan

4.1	Introduction	39
4.2	Conceptual Framework on the Purpose and Scope of the Research Priority Area	40
4.3	Table of Nutrition Research Priority Area	41-49
	References	50

Research Priority Area 4: Macro and Micronutrient Excesses and Deficiencies

5.1	Introduction	53-54
5.2	Conceptual Framework on the Purpose and Scope of the Research Priority Area	55
5.3	Table of Nutrition Research Priority Area	56-65

Research Priority Area 5: Overweight and Obesity

6.1	Introduction	69-70
6.2	Conceptual Framework on the Purpose and Scope of the Research Priority Area	71
6.3	Table of Nutrition Research Priority Area	72-86
	References	87-88

Research Priority Area 6: Diet Related Non-Communicable Diseases

7.1	Introduction	91-92
7.2	Conceptual Framework on the Purpose and Scope of the Research Priority Area	93
7.3	Table of Nutrition Research Priority Area	94-108
	References	109

TABLE OF CONTENT

Research Priority Area 7: Food Composition Database for Nutrient and Non-nutrient Components

8.1	Introduction	113
8.2	Conceptual Framework on the Purpose and Scope of the Research Priority Area	114
8.3	Table of Nutrition Research Priority Area	115-128
	References	129
	Appendix	130-132
